**Please find below and/or attached an Office communication concerning this application or proceeding.**

If NO period for reply is specified above, the maximum statutory period will apply and will expire 6 MONTHS from the mailing date of this communication.

***Notice of Non-Responsive Reply***

1. The reply filed on October 10, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant has elected Species I; however, Applicant cancelled all of the originally pending claims that read on Species I and added new claims 52-95. Claims 52-95 do not address Species I. Species I has been defined as a combination of Embodiments A + B + E (as set forth in the restriction requirement mailed March 21, 2006); however, new claims 52-95 do not comprise limitations direction toward Embodiments A and E. While some of the new claims recite aspects of Embodiment B, most of the subject matter in new claims 52-95 incorporates Embodiment C. Therefore, newly submitted claims 52-95 are deemed to be directed to an invention that is independent or distinct from the invention originally claimed and elected. Accordingly, claims 52-95 are withdrawn from consideration as being directed to a non-elected invention, thereby leaving no claims within the scope of the elected subject matter to examine. See 37 CFR 1.142(b) and MPEP § 821.03.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
